EXPERIENCE

GARRIGUES (Preeminent Law Firm in Spain and biggest in Continental Europe)

Madrid, Spain
Sep 2005 – Jun 2008

Lawyer / Tax Advisor

- Advised several IBEX-35 companies in a broad scope of tax matters and fiscal lawsuits
 - Planned the current tax structure of *Red Eléctrica de España*, Spain's sole distributor of electricity
 - Researched and contributed to the writing of 20+ fiscal lawsuits for *Santander Consumer Finance*, one of the top 5 Spanish financial institutions
- Analyzed the tax implications of the issuance of debt and capital instruments and performed Due Diligence in preparation of IPOs
 - Participated in half of all Spanish IPOs in 2007: *Iberdrola Renovables*, *Fluidra*, *Codere* and *Clínica Baviera*
 - Advised major companies in the Spanish construction and banking sectors on the issuance of securities
- Developed a proprietary analytical model for corporate clients that detected underpaid income tax withholdings
- Devised international tax planning strategies for construction companies with operations in Eastern Europe
- Coordinated the *Foro Financiero*, a group of 40+ lawyers of the firm that analyzed all legislative, administrative and judiciary fiscal rulings related to the financial sector
- Taught the *Introductory Accounting Course* to 60 junior employees
- Mentored 4 first-year juniors of the Tax department

DAIMLER CHRYSLER AG
